

## Rich Herrin A Head Coach Ahead of his time

This book is great for any lover of basketball, not just a Benton Ranger or an SIU Saluki. The author, Matt Wynn, captured the true essence of what it's like to play the sport and how much it takes for a great coach like Rich Herrin to mentor players and teach lessons much beyond the basketball court. Although the book is a wonderful trip down memory lane for those of us lucky enough to live in Benton and Southern Illinois during this time, it would appeal to any player, coach, or fan. **-Reviewed by Best Cook in the World via Barnes and Noble**
